- Keep a copy of your rebate form, Terms and Conditions and receipt for your records.

Terms and Conditions:

1. **Ductless mini-split systems are not eligible.**
2. To be eligible for a rebate, residential customers replacing electric equipment with qualified electric equipment must receive electric service from PECO. Customers replacing natural gas equipment with qualifying natural gas equipment must be PECO natural gas customers. The HVAC equipment installed must be new qualifying HVAC equipment. A rebate form must be completed for each service address.
3. The program term is November 1, 2011 through May 31, 2013. Rebate forms must be postmarked by May 31, 2013 to be considered for a rebate. Customer must provide a dated, paid receipt to be eligible for a rebate.
4. **Documentation must include the completed, signed rebate form and a dated, paid receipt that lists the contractor name, address, phone number, equipment make, complete model number, installation date and efficiency information. Rebates are processed, generally, within 4-6 weeks of receipt of your rebate form. If your equipment is selected for verification, processing may take additional time. An incomplete rebate form cannot be processed and you may be contacted by phone, mail or e-mail to complete this form. PECO may contact the customer's installer to confirm HVAC equipment installation and/or customer to verify rebate information.**
5. Customer, if requested, agrees to grant PECO or a PECO representative access to the installation site to verify the HVAC equipment. If customer refuses a PECO request for access to verify installation, PECO has no obligation to provide the customer a rebate.
6. Selection of qualifying equipment, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying equipment referenced in the rebate form are the responsibility of the customer. PECO does not endorse any specific manufacturer, dealer or contractor and makes no representations regarding specific manufacturer, dealer or contractor or their workmanship. PECO also makes no warranty for the use of the HVAC equipment. By participating in this program, customer agrees that PECO has no liability concerning the quality, safety and/or installation of the HVAC equipment, estimated energy savings of the HVAC equipment, workmanship of any third parties, installation or use of any HVAC equipment.
7. Customer is responsible for meeting program requirements and complying with state, county and city governments, property owners and/or homeowner's association requirements regarding restrictions, codes, ordinances, rules and regulations concerning the HVAC equipment installation.
8. In situations when two or more pieces of qualifying equipment are purchased as part of a heat pump system, combined operating unit, or otherwise not operating separately and distinctly, only one rebate will be issued for the primary piece as determined by PECO.
9. PECO is not responsible for items lost or damaged in the mail.
10. **Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice.**
11. Program participants are responsible for any taxes associated with the receipt of a rebate(s).
12. By participating in this rebate program, the Customer applicant agrees to abide by and be bound by these Terms and Conditions, and acknowledges that the decisions of the PECO are final in all respects.
